TORONTO, June 1, 2017 – Starlight U.S. Multi-Family (No. 5) Core Fund (TSX.V: STUS.A, STUS.U) (the “Fund”) announced today it has sold the property located at 20900 Farm to Market 1093, Richmond, Texas (“Residences at Cinco Ranch”), a class “A”, garden-style apartment community in the Katy submarket in West Houston. Constructed in 2009, the property consists of 300 apartment suites.

Pursuant to a purchase and sale agreement, Cinco Ranch Acquisition LLC, an indirect wholly owned subsidiary of the Fund, sold Residences at Cinco Ranch unencumbered for the purchase price of approximately US\$37.2 million. The proceeds from the sale will be used to repay the outstanding mortgage balance of approximately US\$23.9 million, with the remainder expected to be utilized on a tax-deferred basis for acquisitions of properties that are expected to improve the Fund’s geographical diversification, average portfolio vintage, and net operating income (“NOI”) growth opportunities.

“The sale of Residences at Cinco Ranch represents an opportunity to maximize the value of one of the Fund’s properties,” explained Evan Kirsh, the Fund’s President. “We intend to use the proceeds to execute the Fund’s business plan to acquire replacement properties on a tax-deferred basis in markets that will enhance the Fund’s geographical diversity while improving the average age of the Fund’s portfolio and provide an opportunity to improve net operating income.”
