Not for distribution to U.S. newswire services or for dissemination in the United States.

Toronto, Ontario – January 17, 2022 – Starlight Western Canada Multi-Family (No. 2) Fund (the “**Fund**”) announced today that it has filed with the securities commissions of each of the provinces of Canada, other than Québec, and obtained a receipt for, an amended and restated preliminary prospectus amending and restating the preliminary prospectus of the Fund dated November 30, 2021, for an initial public offering of trust units (the “**Offering**”). The amended and restated preliminary prospectus qualifies the distribution of a minimum of \$42.0 million and a maximum of \$130 million of Class A Units, Class B Units and Class C Units. The Fund will be the first limited-term, public vehicle launched by Starlight Group Property Holdings Inc. (“**Starlight**”) targeting properties in Canada to raise funds through a prospectus offering. The Fund also announced today that it has received expressions of interest and commitments that in the aggregate exceed the \$42.0 million minimum offering amount.

The Fund was established on November 12, 2021 pursuant to an initial declaration of trust. The Fund was established for the primary purpose of directly or indirectly acquiring, owning, operating and stabilizing a portfolio of newer vintage and newly-constructed income-producing, multi-family real estate properties that demonstrate value based on pricing and local supply and demand trends to achieve the Fund’s target metrics by increasing in-place rents to market rents, revenue enhancement through ancillary income opportunities and operating expense reductions as a result of active asset management. The Fund intends to acquire properties that are geographically diversified across Vancouver Island and the mainland of the Province of British Columbia (the “**Primary Markets**”). Following the completion of the Offering, the Fund intends to acquire (i) 60 multi-family suites located at 733 Goldstream Avenue in Langford, British Columbia and (ii) 251 multi-family suites located at 6035 Linley Valley Drive and 4800 Uplands Drive in Nanaimo, British Columbia (the “**Minimum Offering Portfolio**”). In the event that the gross subscription proceeds from the Offering are \$61,000,000 or greater, then the Fund also intends to indirectly acquire (i) 81 multi-family suites located at 2699 Peatt Road in Langford, British Columbia, (ii) 60 multi-family suites located at 3400 Centennial Drive in Vernon, British Columbia and (iii) 43 multi-family suites located at 1803 31A Street in Vernon, British Columbia (the “**Additional Closing Properties**”, such Additional Closing Properties, if acquired, together with the Minimum Offering Portfolio, the “**Initial Portfolio**”). In the event that the Fund raises more than \$42.0 million but less than \$61.0 million, the Fund may acquire one or more, but not all, of the Additional Closing Properties. The balance of the net proceeds of the Offering will be used to subsequently acquire one or more additional income-producing, multi-family real estate properties in the Primary Markets, consistent with the primary purpose of the Fund.
