

Starlight Investments Continues Support of the University of Guelph Undergraduate Real Estate Case Competition

Toronto – **March 15, 2021** – Starlight Investments (“Starlight”) is pleased to announce its sponsorship and participation in the University of Guelph Undergraduate Real Estate Case Competition (“URECC”) which will be held virtually on March 19, 2021.

URECC is designed to attract a collection of the sharpest, most proactive minds in the real estate industry. This annual case competition challenges students to create a development plan for a large, iconic, currently existing real estate site, offering students a realistic representation of what creating a development plan encompasses. URECC has historically received participation from teams from Canada’s most renowned academic institutions whose business programs prepare students for success in the real estate industry. The competition will award the winning team a prize of \$10,000. Further details are available at www.urecc.ca.

Starlight’s President, Canadian Multi-Family, David Chalmers will join other members of the real estate industry to help prepare students for success through both sponsorship of the competition and participation in this year’s judges panel.

“Starlight is proud to once again be a sponsor and is honoured to participate as a final judge in this year’s competition. The URECC gives students the opportunity to take what they have learned in the classroom and apply it to a “real life” development,” stated David Chalmers, Starlight’s President, Canadian Multi-Family.
