

Starlight Investments Ltd. Recognized for Environmental Sustainability in January 2015 FRPO Fair Exchange

Toronto – **February 19, 2015** - Starlight Investments Ltd. (“Starlight”) is pleased to announce that it has been featured in the January 2015 FRPO Fair Exchange of Rental Industry News for its leadership in energy conservation in the Ontario multi-residential sector.

The article titled, “*Green Advantage, Starlight Investments Turns Older Buildings into Star Performers*” highlights a number of the achievements of Starlight’s energy management program. Recent accomplishments of the program include estimated annual natural gas savings of over 2.2 million cubic metres and carbon dioxide emission reduction equal to 4,100 tonnes per year at 45 of Starlight’s properties that have been upgraded over the past two years.

“One of Starlight’s greatest strengths is identifying opportunities and re-positioning properties to create value. Reducing energy consumption and associated greenhouse impacts helps us separate ourselves as an environmental leader in the multi-residential industry while reducing operating costs and enhancing the overall value of our portfolio,” stated Daniel Drimmer, Chief Executive Officer.
