

Starlight Investments Ltd. Hosts Lakeshore Out Of the Cold Dinner

Toronto – **February 3, 2014** – Starlight Investments Ltd. (“Starlight”) is pleased to announce that it has again joined forces with Toronto’s Out of the Cold Program at St. Margaret’s Anglican Church, to sponsor, host and serve dinner to those less fortunate in the community.

The Out of the Cold Program is a volunteer initiative that consists of congregations from faith groups, community members and advocates who provide safe refuge, hospitality and emergency shelter to the homeless community throughout the City of Toronto. The dinner portion of the program offers a hot evening meal to approximately 100 of Toronto’s many homeless including children with special needs, former residents of mental institutions, substance abusers and seniors who suffer social isolation.

“We are honoured to be a part of this important community program on an ongoing basis. It is with great pride that Starlight actively participates in the community in which we live, especially given the extreme cold this winter.” said Daniel Drimmer, Chief Executive Officer..

Starlight’s participation in the Out of the Cold Program is one example of its commitment to actively participating in the communities where it operates and to assisting various organizations on a consistent and ongoing basis.
