TORONTO, October 11, 2017 – True North Commercial Real Estate Investment Trust (the "**REIT**") (TSX: TNT.UN) is pleased to announce it has agreed to acquire the following five properties:

1. a 34,400 square foot office property located at 810 Blanshard Street, Victoria, British Columbia (the "**Victoria Property**");
2. a 120,200 square foot office property located at 1595 16th Avenue, Richmond Hill, Ontario (the "**GTA Property**");
3. a 148,500 square foot office property located at 301 & 303 Moodie Drive, Ottawa, Ontario (the "**Ottawa Property**");
4. a 129,200 square foot office property located at 36 and 38 Solutions Drive, Halifax, Nova Scotia (the "**Halifax Property**"); and
5. a 60,600 square foot office property located at 231 Shearson Crescent, Cambridge, Ontario (the "**Cambridge Property**" and collectively with the Victoria Property, the GTA Property, the Ottawa Property and the Halifax Property, the "**Acquisition Properties**").

The total purchase price for the Acquisition Properties represents a combined implied capitalization rate of approximately 6.9%. Upon completion of the acquisitions, the REIT's occupancy is expected to remain stable at 97.1%, the REIT's aggregate portfolio gross revenue from government and credit-rated tenants is anticipated to be 84.7%, and average remaining lease term of the REIT will be 4.3 years.

The REIT has waived diligence conditions with respect to the Acquisition Properties, except the Halifax Property. The acquisition by the REIT however remains conditional upon the satisfaction of certain customary closing conditions pursuant to applicable purchase and sale agreements.

"These properties not only meet our core acquisition criteria but also position us for growth by establishing a presence in new markets. With these acquisitions we have added our first location in Halifax and increased our footprint in Victoria," said Daniel Drimmer, the REIT's President and CEO. "This, along with our disciplined approach, help to ensure continued expansion and diversification of the portfolio with credit-rated and government tenants secured under long-term leases."

The aggregate purchase price for the Acquisition Properties is expected to be approximately \$106.1 million, subject to customary adjustments and exclusive of closing costs. The acquisition will be satisfied by a combination of the following: (i) approximately \$28.5 million from the REIT's bought deal offering of Units completed on July 11, 2017; (ii) approximately \$15.0 million from the Offering (as defined below); (iii) first mortgage financing on the Cambridge Property and the Ottawa Property, in the aggregate amount of approximately \$21.9 million; and (iv) approximately \$47.6 million from a bridge facility (the "**Bridge Facility**") on the Victoria Property, the GTA Property and the Halifax Property (collectively, the "**Bridge Facility Properties**").

The Bridge Facility of up to \$47.6 million will be made available by an affiliate of CIBC Capital Markets. Proceeds from the Bridge Facility may only be used to satisfy the debt portion of the acquisition of the Bridge Facility Properties. The REIT expects to repay the Bridge Facility with first mortgage financing arranged on the Bridge Facility Properties on a property-by-property basis. The Bridge Facility is subject to customary funding conditions.

"Using capital efficiently, while remaining poised to act on opportunities, continues to be a priority. These acquisitions deploy the proceeds of our July offering and a portion of the bought deal being announced today," added Mr. Drimmer. "We remain committed to building a high quality property portfolio that will generate long-term value for our unitholders."
