

# 1 Robert Speck Parkway Awarded BOMEX 2017 National TOBY Award

Toronto – **September 29, 2017** — Starlight Investments (“Starlight”) is pleased to announce that the Mississauga Executive Centre (“MEC”) received the prestigious National TOBY Award at the Annual BOMA Canada National Awards Gala hosted by the Building Owners and Managers Association of Greater Toronto (“BOMA”) on September 28, 2017. Each year, BOMA members honour building and management excellence in the commercial real estate industry. Starlight acquired a 50% interest in the MEC, a premier, Class A, LEED Gold and BOMA BEST Platinum office complex located at 1-4 Robert Speck Parkway in Mississauga, Ontario in March 2017.

Earlier this year, 1 Robert Speck Parkway received the 2017 The Outstanding Building of the Year (“TOBY”) and 2017 Earth Award for an office building ranging in between 250,000 to 499,999 square feet. The 2017 TOBY Award recognizes top scoring buildings that demonstrated excellence in real estate management practices and the 2017 Earth Award recognizes buildings and their teams for excellence in environmental management and performance.

This award now qualifies MEC to move on the international level awards taking place in 2018.

**“Starlight is pleased that MEC has once again been recognized with this respected industry honour. We like to extend our congratulations to all of the other award winners,” stated Daniel Drimmer, Starlight’s President and Chief Executive Officer.**
