TORONTO, November 24, 2016 – True North Commercial Real Estate Investment Trust (the "REIT") (TSX: TNT.UN) is pleased to announce it has closed the previously-announced acquisition of a nine-storey office building located at 3650 Victoria Park Avenue, Toronto, Ontario (the "**Toronto Property**").

The Toronto Property is situated on 4.36 acres of land with 154,300 rentable square feet, 551 parking stalls and is located close to Highways 401, 407 and 404, with convenient access to downtown Toronto. With an average lease term of 6.6 years remaining, the building is 88.2% occupied of which 84% is occupied by TD Insurance. The \$34.0 million purchase price was satisfied by proceeds from the REIT's August public unit offering and mortgage financing of \$23.8 million, with an annual interest rate of 2.76% for a 5 year term.

"The acquisition of this property underlines the fact the REIT's enhanced scale now enables us to acquire larger properties located in major Canadian markets. Accordingly, the universe of attractive commercial real estate suitable for our portfolio has been substantially expanded," said Daniel Drimmer, President and Chief Executive Officer of the REIT. "We intend to continue to add such properties which are consistent with our core strategy of delivering accretive acquisitions of high quality properties occupied by government and credit-rated tenants with long-term leases."
