With Exercise of Over-Allotment Option**

/NOT FOR DISTRIBUTION IN THE U.S. OR OVER U.S. NEWSWIRES/

TORONTO, August 25, 2016 – True North Commercial Real Estate Investment Trust (the "**REIT**") (TSX: TNT.UN) is pleased to announce that it has closed its previously announced bought deal offering (the "**Offering**") of trust units ("**Units**") with a syndicate of underwriters (the "**Underwriters**") led by CIBC Capital Markets and Raymond James Ltd. An aggregate of 5,324,000 Units were issued by the REIT at a price of \$6.20 per Unit, including 484,400 Units issued on the full exercise of the Underwriters' over-allotment option, for aggregate gross proceeds of approximately \$33 million.

The REIT intends to use the net proceeds from the Offering to fund the potential acquisition of high-quality commercial properties located in strategic, urban markets that feature strong tenant profiles including the potential acquisition of three office, retail and industrial properties aggregating 321,000 square feet of leasable space with 100% occupancy located in the Greater Toronto Area and the Waterloo Region of Ontario in addition to Halifax, Nova Scotia. Until deployed for these purposes, the REIT intends to repay existing outstanding indebtedness, which can then be re-borrowed and used by the REIT as noted above, and to fund working capital and other general trust purposes. The Offering is not conditional on the closing of any of the identified potential acquisitions, and in the event that any such acquisitions do not close, the net proceeds will then be used to fund other potential future acquisitions.
