

Starlight Investments Continues Sponsorship of Make-A-Wish Foundation's 2020 Trees of Joy Event

Toronto – **October 23, 2020** – Starlight Investments (“Starlight”) is pleased to announce that it will be, for the third year in a row, sponsoring the 2020 Trees of Joy event hosted by the Make-A-Wish Foundation.

Trees of Joy is a magical event that, through customized Christmas trees, brings joy and hope into the homes of some very special Wish Children during the holiday season. Although things will be different this year; Trees of Joy has been reimagined to allow the magic of the event to remain, while respecting health and social distancing guidelines. Normally a one-day event, this unique opportunity will take place across November and December this year. Once the trees are decorated, they will be delivered to the Wish Child’s home to enjoy.

“We are always proud to be a part of the Trees of Joy event and are especially thrilled that, despite these unprecedented time, the event will continue,” stated Lauren Kenney, Starlight’s Vice President of Communication and Human Capital.
