Toronto – **May 6, 2019** – Starlight Investments (“Starlight”) is proud to support two inspirational local community initiatives with its participation in the Heart and Stroke’s Big Bike and the Junior League of Toronto’s (“JLT”) Chef’s Showcase on Wednesday, May 2, 2019.

Twenty-nine enthusiastic Starlight riders joined the Heart and Stroke foundation on the Big Bike as they stopped traffic in support of critical heart disease and stroke research. The team rode through the community to raise awareness of the Heart and Stroke Foundation’s vision of healthy lives free of heart disease and stroke. The Heart and Stroke Foundation is proud to celebrate more than 25 years of Big Bike across the country. Last year over 70,000 riders in over 200 communities from coast to coast helped raise over \$8 million for research.

The JLT hosted the 2<sup>nd</sup> Annual Chef’s Showcase at George Brown College. The JLT is an organization in support of women’s mental health and self esteem. Their focus is to develop the potential of women through civic leadership and effective action. Starlight was proud to be in attendance at the JLT Chef’s Showcase event which raised funds to sponsor recent culinary graduates from the Assistant Cook Extended Training (ACET) program at George Brown, as they transition into their full-time career.
