Toronto – **March 13, 2018** – Starlight Investments (“Starlight”) is pleased to announce that it has officially opened the doors on the newly built luxury style, concrete multi-residential property located at 49 Queen Street East in Cambridge, Ontario (“Riverview”). Purchased through a recently completed forward purchase contract, Riverview offers 153 one and two bedroom units furnished with premier finishes and modern designs.

“Riverview was a vision created by HIP Developments to enhance and repopulate the Hespeler village by providing a condo style luxury rental property. That vision was brought to life by Melloul Blamey and I think we can all agree that the finished product speaks for itself. Starlight is honoured to be a part of this project and our joint efforts have allowed for Riverview residents to enjoy high quality living in their community”, stated Daniel Drimmer, President and Chief Executive Officer.

Managed onsite by Greenwin Property Management, Riverview offers its residents spacious layouts, modern designs and premier finishes.
